

Kendrick and Derek with Innovative Dream Builders ROCK! They made me look like a hero to my clients, the other agent in the transaction and their buyer. The other agent was so pleased with the work done on her buyer's behalf that she referred Kendrick and Derek to her neighbor. These guys are prompt, courteous, and professional. They do what they say they are going to do, when they say they are going to do it-This is rare. As a real estate agent where my reputation is everything I will continue to refer them with Confidence! Thanks Guys!
