IDB Team,

I just wanted to shoot you a quick note letting you know what a great job your staff did for us on a recent project. I have been a property manager for over 20 years and have learned to find and keep the kind of vendors, suppliers & contractors that not only have fair pricing but also take care of our properties and clients. Mike did a great job with the installation of the new windows, while maintaining a safe work environment... The quality of products and service I got from IDB will keep me coming back for all my exterior needs.

**Thank you,
Stan Barker
